

ANGELES CREST 100 MILE ENDURANCE RUN TRAIL MAINTENANCE WORK CERTIFICATION FORM

- **Eight hours of Trail Maintenance Work must be completed prior to September 1, "race year" (see comments below).**
- The Annual Angeles Crest 100 Mile Endurance Run will require **eight hours** of Trail Maintenance Work that supports an Endurance Running Event in **the same calendar year of the race**. Only Trail Maintenance Work that supports an Endurance Event will be accepted. General volunteer work at an ultramarathon will not be accepted.
- The reason we are adding this new requirement is: **we need help maintaining the AC100 course that you run on**. If you do not work on AC100 trails and you work in another state or country, then other endurance event will benefit from our requirement. AC100 benefits from both WS100 and Wasatch Trail Work requirement.
- For those runners **living in Southern California** (South of Fresno) the Trail Maintenance Work must be performed on AC100 course. Trail Maintenance Work must be performed by the runner.
- If you **do not live in Southern California**, you can perform your Trail Maintenance Work elsewhere (in another state or country), but it must support an Endurance Event in your area.
- Trail Maintenance Work schedule on AC100 course will begin in middle March of the "race year" and go through end of August of the "race year", with the peak trail maintenance happening in July through August, when we get the maximum vegetation growth as a result of the winter and spring rain.
- The Trail Maintenance/Training Run Schedule (TM/TRS) will be mailed only to the Runners that have entered the race, as we have done over the years. It will also be posted on the AC100 website.

Summary:

Submit your Race Application first, at your convenience.

The TM/TRS schedule will be posted on the AC100 website as soon as it is available, probably in the mid March timeframe.

Submit the Trail Maintenance Work form later after the work has been completed.

The Trail Maintenance Work form must be submitted prior to starting the race.

In order to keep this process painless, plan ahead. Don't wait till the last minute!

It is a requirement in order to start the race.

Contact Hal Winton for Trail Maintenance Schedule: **Hal Winton, Co-Race Director, 24409 S. Meyler, Harbor City, CA 90710;** (310) 534-1704 (h).

The absolute best way to communicate with the Run Organization is as follows: Send email to: [harold 1 winton \[winton4jesus@juno.com\]](mailto:harold1winton@winton4jesus@juno.com). **Another way:** Send a SASE with a written request. **The worst way** is by telephone/voice mail. We cannot make a collect call to voice mail. Please take a few moments to PRINT or TYPE your name/address **clearly**, it will save us both a lot of time in the long run!

The volunteer service must be performed **prior to September 1st**.

Date Trail Maintenance Work was performed: ___/___/___

(Submit one form for each date of service)

Hours of Trail Maintenance Work performed on this date: _____

Brief description of Trail Maintenance Work performed.

Name of Trail Endurance Event the Trail Maintenance supports _____

Description of Trail Maintenance Work:

Send completed form to: **Hal Winton, 24409 S. Meyler, Harbor City, CA 90710.**

For additional information: send SASE to **Hal Winton, 24409 S. Meyler, Harbor City, CA 90710**. or email: [\[winton4jesus@juno.com\]](mailto:winton4jesus@juno.com). Phone: 310-534-1704 (h).

Eight hours of Trail Maintenance Work must be completed prior to September 1, "race year". The "race year" could be 2004, 2005 or 2006 as applicable, on the year the race is held.
