Invocation 4:30AM

Start of race 5:00AM (sharp)

August 7th, Sunday at Loma Alta Park in Altadena:

Finish of race 2:00PM (sharp)

Picnic & Award ceremony: 2:00PM – 5:00PM. Everyone is welcome.

Please check the spelling of your name on the Run Roster when you check in at Wrightwood. We will engrave your name on the Finisher Plaque, as it appears on the Roster. We will not be responsible for mis-spelled names, if it is the same as on the Roster. There will be an additional fee, if we must engrave a second plaque.

This will be the only correspondence to the runners. Check the AC100 website periodically for any updates on conditions in ANF. The final word on trail condition and support crew information will be at the Wrightwood Trail Briefing on Friday. If you have problems or concerns prior to race weekend, the best way to communicate with Run Management is via email.

If there is a problem that affects the race, a notice will be posted on the AC100 website. Check the AC100 website for:

Important Notices (red area),

General Information/Rule Change/Clarification (yellow area) and

AC100 News (gray area):

Training Run and Trail Maintenance Schedule

Highway Closure

Checkpoint Access

Safety Issues

The 2015 AC100 RaceBook will be available in June on the AC100 website, with all of the details you will need. We will keep the 2014 AC100 RaceBook on the website until it is replaced with the 2015 AC100 Race Book. For more info on both: Training Runs and T www.ac100.com rail Maintenance Schedule: email Hal Winton at winton4jesus@juno.com.

Official race result, race splits and race article will be on the AC100 website after the race.

All Trail Maintenance and Qualification Data will be entered by the Runner on the AC100 database using your:

ID (email address) and

Password (that you created when you entered on-line).

Go to the website for a general overview of the Data Entry Process. If your personal information (i.e. email address) has changed, go to the AC100 Database and update the information. If you have a problem, email ken.hamada3@gmail.com and I will help you.

Everything you will need to run this race will be on the website. AC100 Database has your personal information on it and you have access to it, if you need to make any updates. Go to the AC100 Database to see the current status of your: Qualification and Trail Maintenance Data. If you have a problem email ken.hamada3@gmail.com. All communication with the race is via email, so make sure your email is current.
