	This is a guide based on leaving an aid station at its cut off and reaching the next at its cut off. Average pace for this 33 hour 100.5 mile race is 19 min., 42 sec. (19:42) per mile. Individual aid station cut off times have been adjusted for altitude gains, losses, night and last runners who finished previous races.				** Hot coffee and food available for purchase by crew and runners at the Cosmic Cafe restaurant at Mt Wilson Aid Station. WiFi and Toilets also available at the restaurant.
